The ZEN of SBOM

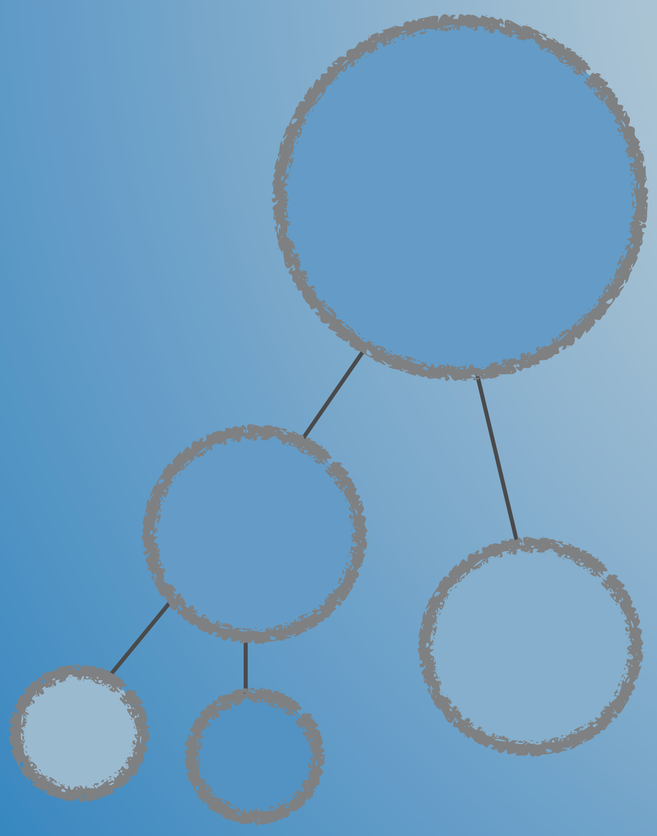
The SBOM is not the answer to all software problems, but it sure helps.

SBOM EUROPE

EDVINA APH10

SBOMEUROPE.EU

The ZEN of SBOM



SBOM is not a single process to be completed.
It is a lifecycle process.

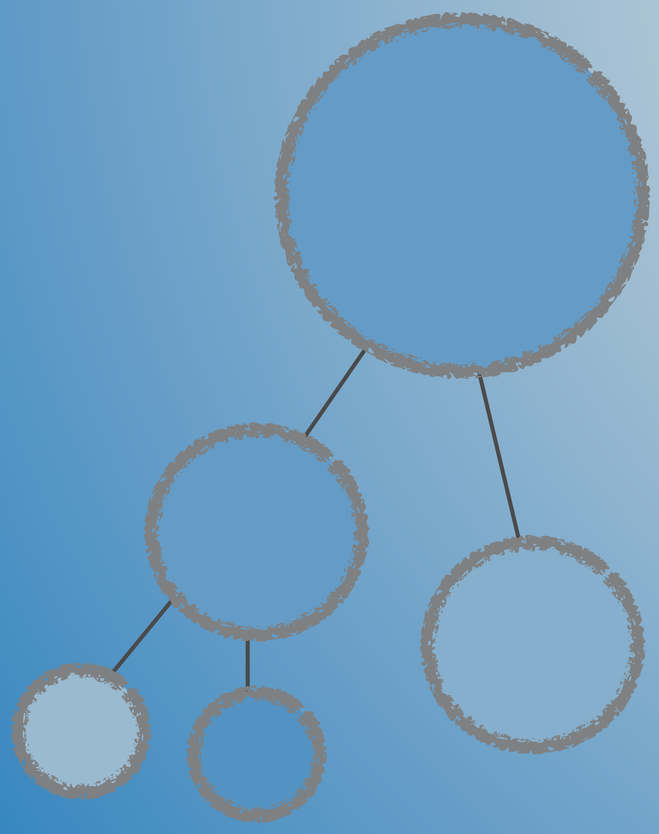
SBOM EUROPE

EDVINA APH10

SBOMEUROPE.EU

The ZEN of SBOM

Dependencies are like relatives. You can't choose them, but they're important.



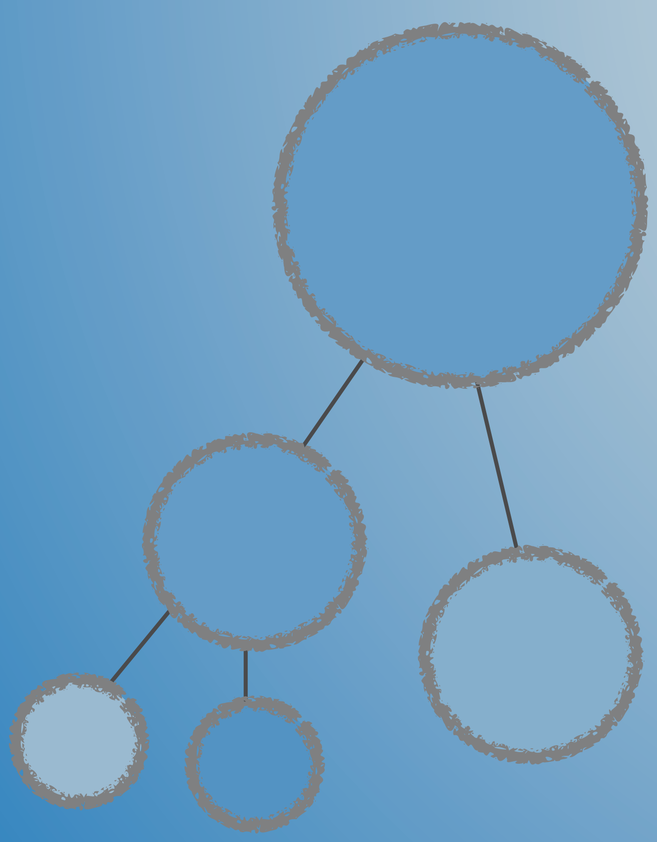
SBOM EUROPE

EDVINA APH10

SBOMEUROPE.EU

The ZEN of SBOM

Completeness improves the usefulness of the SBOM.



SBOM EUROPE

SBOMEUROPE.EU

The ZEN of SBOM

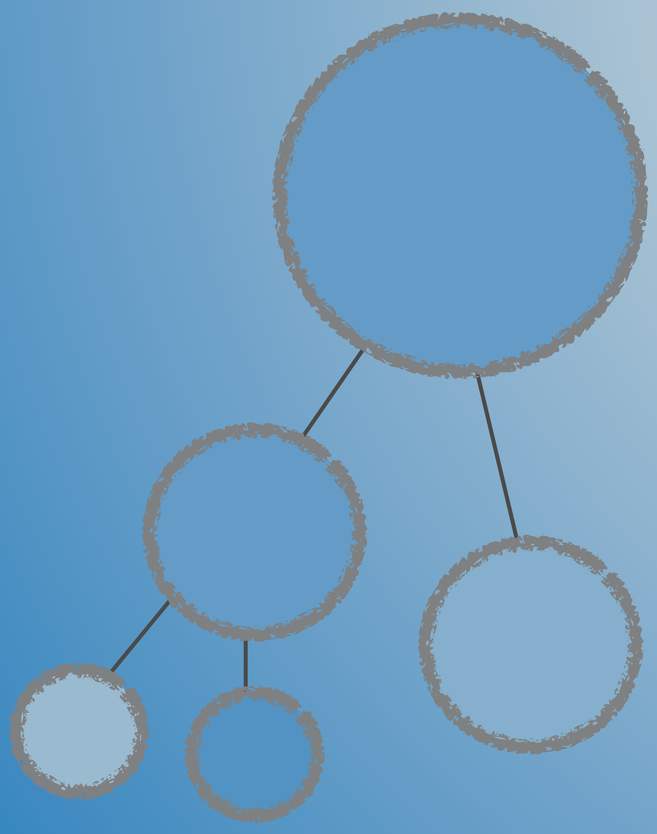
Now is better than never to generate and share.



SBOM EUROPE

EDVINA APH10

SBOMEUROPE.EU

The ZEN of SBOM

Any SBOM is better than no SBOM.

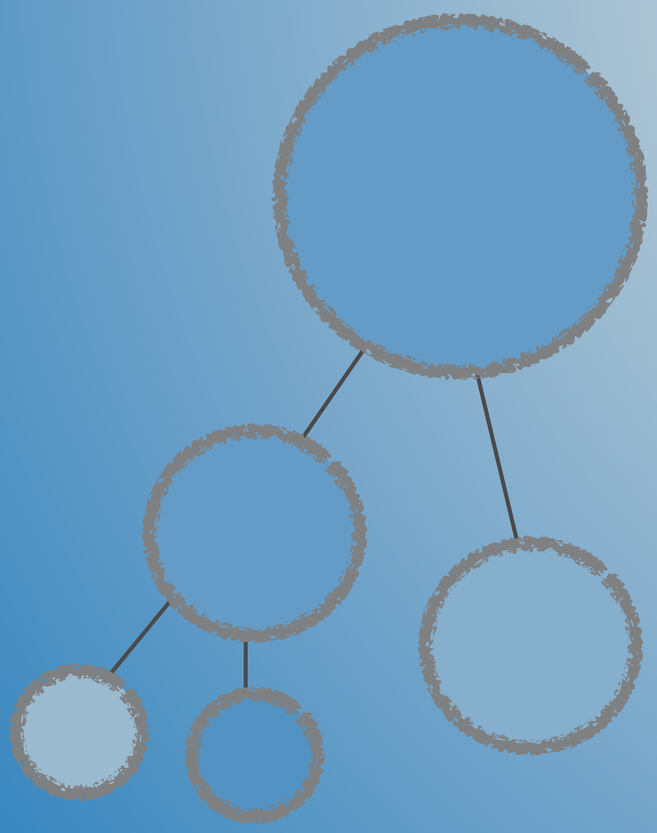
The ZEN of SBOM

- Edvina and APH10 have joined forces in SBOMEUROPE.EU to assist companies on their path towards CRA compliance and SBOM risk based management of their software processes.



- With training and consultancy, as well as public webinars, we’re here to help your organisation get ready in time.
- We’re continously taking part of the work done with standardisation, tooling and processes related to SBOMs and the legislation in various forums across the world.
- Contact us today at info@sbomeurope.eu
- Follow us on LinkedIn, YouTube and Apple Podcasts
